PROFESSIONAL SUMMARY

Accounting student on the CPA-eligible track (225-credit pathway) pursuing Enrolled Agent (EA) certification in Summer 2026, with direct audit and tax-compliance experience across organizational financial statements, small-business tax filings, and financial platform design. Combines technical grounding in GAAP, internal controls, and tax theory with bilingual communication skills and a practical systems mindset, well-suited for public accounting roles at regional and boutique CPA firms.

EDUCATION

Western Washington University <i>BA in Accounting, Minor in Economics. CPA-Eligible Upon Graduation. GPA: Major GPA 3.23 Cumulative GPA 3.29.</i>	Bellingham, WA June 2027
Whatcom Community College <i>Concurrent Enrollment. GPA: GPA 3.95.</i>	Bellingham, WA 2024 - Present
Temple University, Japan Campus <i>International Business and Relations.</i>	Tokyo, Japan 2023 - 2024

EXPERIENCE

External Auditor <i>Nexus, University of Groningen Student Association</i>	Oct. 2025 – Present
- Execute independent audit procedures on financial statements and organizational budgets to assess fiscal soundness and regulatory compliance. - Identify internal control weaknesses and author formal audit reports with actionable risk-mitigation recommendations.	
Corporate Finance Intern <i>Hallmark Capital International</i>	Sep. 2025 – Dec. 2025
- Conducted market research and competitive benchmarking supporting M&A mandates and strategic business development initiatives across APAC markets. - Prepared valuation materials and marketing collateral for global M&A, capital-raising, and divestiture transactions ranging \$5M-\$50M USD.	
Founder and Product Lead <i>Keane Financials LLC (Kove)</i>	Nov. 2025 – Present
- Author 10-20 page technical reference documents for each platform system (e.g., student/user account lifecycles), detailing system behavior, edge cases, and failure points so non-technical stakeholders can audit and operate the system without full engineering context. - Design and maintain a custom tax-collection and categorization system for customer transactions (independent of Stripe Tax), and manage Washington State small-business tax filing and liability-minimization strategy for the LLC.	

ACTIVITIES & LEADERSHIP

WA Society of CPAs	2025 - Present
